

Temperance Rauncho

It's a Rauna & a Poncho!

Stardust Gold Crochet

The Temperance Rauncho is a simply elegant design you can dress up or dress down with jeans. The name has a great story! My friend Crystal's daughter's name is Temperance (after Temperance Brennan from the show Bones), she's 3 years old. She said, "It's a rauncho!" because she tried to say rauna and poncho at the same time 😊, it was too cute! Check out the blog for more [photos](#).
