Crochet Coin Purse

Thanks for stopping by the blog, and signing up for my mailing list! It means the world to me.

I really enjoyed making this simple crochet coin purse pattern and loved learning how to attach a purse frame to a project (something I never tried before.) If you haven't figured it out yet, I love Scheepjes yarn. The colors are just beautiful, and soft. They have an XL version (a slightly heavier than 4 weight - although it is listed as a 4 weight yarn) of their famous stone-washed line, which I use in quite a few patterns. I created a video tutorial to help you work this pattern too.

Yarn Weight:

4 MEDIUM

A little bit about the yarn…

Scheepjes Stone-washed XL is a 4-weight yarn, and comes in a variety of beautiful earth tone colors. There really is nothing like it on the market today.

sc – single crochet

insert hook in indicated stitch, yo, draw up a loop, yo draw through 2 loops.

TSS – Tunisian simple stitch

This stitch contains two actions a forward pass, which is pulling up loops, and a reverse pass, which works the loops off the hook. Both actions create 1 row.

FwdP – *insert hook in indicated stitch, yo, pull up a loop – repeat from * across.

RvsP – do not turn, yo, pull through one loop, *yo, pull through 2 loops – repeat from * to beginning of row – 1 TSS row completed.

fsc - foundation single crochet

Create a slip knot. **Ch 2**, insert hook in **1st chain**, **yo**, draw up a loop, **yo**, pull through **1 loop** (this is considered a ch 1, **yo**, draw through **both** loops on hook

(2nd st) Insert hook in **bottom two** loops of ch 1, **yo**, draw up a loop, **yo**, draw through **1 loop** (this is a ch 1), **yo**, draw through both loops

(2 fsc created).

yo, insert hook in indicated stitch, *yo draw up a loop to level of your hook*, yo, insert hook in same stitch – repeat from * to *, (5 loops on hook), yo, draw through 4 loops, yo, draw through last two loops on hook – 1 pineapple stitch created.

+ Pattern Notes – Please Read

Chains do not count as stitches.

- **1st stitch of each row** is made in the base of the turning chain, unless otherwise indicated.

- This pattern contains a **Tunisian crochet simple stitch (TSS)**, this is the basic Tunisian stitch. If you have trouble reading or understanding the pattern, please refer to the [Lilac Dreams Crochet Coin Purse Video Tutorial](#).

- **Tension** is only moderately important, make sure your WPI's are similar if you use a different yarn – Scheepjes Stone-Washed XL is 12 WPI.

+ Instructions

The Lilac Dreams Crochet Coin Purse is created by making two panels, sewing them together, and attaching a coin purse frame (easy!)

+ Pattern

with 4.5 mm hook and 4 weight yarn...[fsc](#) 13.

Alternatively, you can **chain 13 + 1**, then create 1 row of single crochet starting in the second chain from the hook. If you decide to use a chain instead of [foundation single crochet](#), **skip Row 1** below and **begin Row 2**.

Make 2:

Row 1: Ch 1, **turn, sc** in each stitch across – 13 sc.

Row 2: Ch 2, **turn**, **pineapple** stitch in next 12 sc, **dc** in last sc – 12 pineapple sts, 1 dc.

Note**:** Row 3 is a Tunisian simple stitch – you **do not need a special hook**, just your regular

crochet hook. However, if you use an ergonomic hook, you may need to switch it out for a regular non-ergonomic hook for this row because some ergonomic hooks have a very short working area. I used an ergonomic hook and didn't need to switch out. I write out the stitch below, but you can also find it in the stitch guide above.

Row 3: Ch 1, **turn**, **TSS FwdP** (*insert hook in **BLO** of next, **yo**, pull up a loop, **repeat** from * in each sc across – 14 loops on hook), **TSS RvsP** (yo, pull through 1st loop, **yo, pull through 2 toops, repeat from ** back until there is one loop left on hook) – 13 TSS.

Row 4: (do not turn), **ch 1**, **sc** into the center of the TSS vertical bars (see image below) in each stitch across – 13 sc.

Rows 5, 6, 7: Repeat row 2, 3 & 4.

Decrease Rows:

Row 8: Ch 2, **turn**, **skip 1st st**, **pineapple stitch** in next **10 sts**, **skip 1 stitch**, **hdc** in last stitch – 10 pineapple stitches, 1 hdc.

Row 9: Ch 1, **turn**, **skip 1st st**, **TSS (BLO)** in next **8 sts**, **skip 1 st**, **TSS (BLO)** in last st, **RvsP** as normal – 9 TSS.

Row 10: (Do not turn), **ch 1**, **sc** between each TSS across – 9 sc.

Row 11: Ch 2, **turn**, **skip** 1st st, **pineapple stitch** in next **6 stitches**, **skip 1 st**, **sc** in last stitch – 6 pineapple sts, 1 sc.

+ Assembly:

- Decide which side you'd like as right side (RS).
- Place right sides together, and sew along outside leaving rows 8 – 11 untouched and open.

Attaching the Purse Frame

- After sewing, turn the purse RS out.

- Open the purse frame and line the bottom joint with bottom of row 8.

- Please see this video timestamp 13:37 to see how to attach the purse frame.

Here you can see how to assemble:

After you come through the back, bring your needle back through the next hole, and up to the front of your work. Then work a running type stitch, working from front to back, and back to front. If you need more of a visual for this, please check out the tutorial video at the bottom of the page.

I hope you enjoyed making this cute crochet coin purse.

Congratulations! You Are Finished!

Happy Crocheting!
